

Paddle Holder Installation Instructions

1. **Parts List**

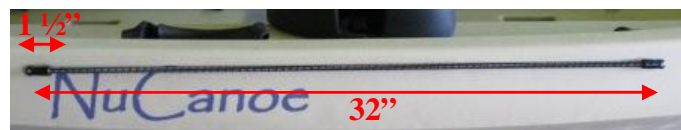

- 1 – 24" section of ¼" black shock cord with 2 terminal ends installed
- 1 – Nylon Lashing Hook (J-Hook)
- 3 – Rivets

2. **Tools Required**

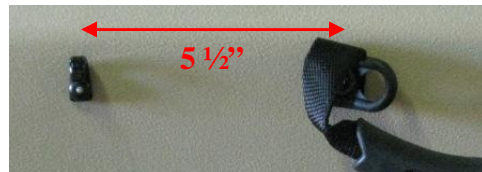

- | | |
|---------------------------|------------------------|
| Rivet gun | Drill w/ 13/64" Bit |
| Tape measure or yardstick | Marine silicon sealant |

3. **Paddle Holder Location** –The locations specified below are designed for single or tandem use and are compatible with all NuCanoe accessories. Consider how you will use the paddle holder and desired J-hook location prior to installation.

4. **Install First Paddle Holder** – Locate on the port (left) side. The J-Hook is installed 1 ½" below the top of the inside gunwale and 5 ½" to the stern of the side handle. The first bungee strap terminal end is installed 1 ½" to the bow-side of the "N" in NuCanoe and a ½" beneath the gunwale. The second bungee strap terminal end is installed 32" towards the stern from the first and ½" beneath the gunwale. Drill a 13/64" hole at each location. Apply clear marine silicone sealant to the back of J-Hook and to the bottom of rivet. Insert rivet through the J-Hook, and install with rivet gun. Clean off excess sealant.

5. **Second Paddle Holder** (if applicable) - Located on the starboard (right) side. The J-Hook is installed 1 ½" below the top of the inside gunwale and 5 ½" to the bow of the side handle. The first bungee strap terminal end is installed 1 ½" to the stern-side of the "N" in NuCanoe and a ½" beneath the gunwale. The second bungee strap terminal end is installed 32" towards the bow from the first and ½" beneath the gunwale. Drill a 13/64" hole at each location. Apply clear marine silicone sealant to the back of J-Hook and to the bottom of rivet. Insert rivet through the J-Hook, and install with rivet gun. Clean off excess sealant.

6. **Ready for use!** - Place the paddle on top of gunwale and stretch bungee over the paddle shaft then connect bungee over J-Hook.

7. **Questions or Comments?** – Please contact your NuCanoe dealer or email us at info@nucanoe.com.
