**SPORT BOX**  
Item # 2010

The multi-function Sport Box is a cooler, live well, tackle box, storage box, and more. It fits snugly into the bow or stern of the NuCanoe and secures via two straps. Rotomolded Polyethelene. 7lbs.

**MODULAR MULTI MOUNT**  
Item # 2110

Provides a modular surface to mount rod holders, fish finders, GPS devices, and more. Secures in any NuCanoe seat position. Includes a recessed cup holder. Marine Starboard. 3lbs.

**SWIVEL SEAT MOUNT**  
Item # 2210

Enables a fishing style swivel seat to be mounted in the NuCanoe. Works in all seat locations and solo or tandem. Includes all hardware. Marine Starboard. 5lbs.

**FREEDOM TRACK SLIDER KIT**  
Item # 2410

Add just about anything to the Freedom Track with the Slider Kit. The stainless steel slider has three 1/4-20 threads spaced 1" apart. Includes fastening hardware.

**CRATE SPACE BUCKLE**  
Item # 2420

Secure a battery box, fishing crate, or cooler in the Frontier Crate Space with the Crate Space Buckle. The straps are 1 1/2" wide and 22" long. Includes buckle and two slides.

**FISHING CRATE PAK**  
Item # 2430

The Fishing Crate Pak holds three rods & reels, multiple tackle boxes and lots of gear. It has exterior pockets with Velcro closures & (4) 'D-Rings' for attaching tools. Includes the 16qt milk crate internal frame.

**SLIDE MOUNT**  
Item # 2440

Secure your choice of mounts & gear to the Slide Mount and then position it right where you want it on the Freedom Track. Pre-drilled slots fit Ram and Scotty Mounts. Includes Freedom Track Sliders & screws. Marine Starboard

**ELITE SEAT**  
Item # 3001

A compression molded kayak seat that has no equal in terms of support, comfort, and durability. Features a massive seat bottom and a tall, spine-hugging backrest.

**CAPTAIN'S SEAT**  
Item # 3010

The 18" tall backrest on this thermoformed molded foam kayak seat provides great support for both the lower and upper back. Ideal for paddling and long days of fishing. Includes pack.

**EXPEDITION SEAT**  
Item # 3030

Designed to endure the most rigorous use and provide great comfort along the way. The seat is compression molded and the fabric is permanently bound to the foam.

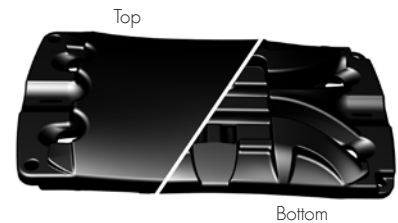

**SOFTPAD SEAT**  
Item # 3035

A simple seat option to provide extra cushioning with the straps and bulk of other seat options. It has 1" compression foam and a Velcro strap to secure it to the bench seat. (Fits NuCanoe only)

**NUCANOE BENCH SEAT**  
Item # 3040

Standard bench seat that is included with each NuCanoe. Rotomolded polyethylene. 3lbs.

**FRONTIER MULTI-SEAT BASE**  
Item # 3041

The innovative standard seat on the Frontier that is a bench seat on one side and a swivel seat mount on the other side. Designed for the Frontier Freedom Track. Rotomolded Polyethylene. 4lbs.

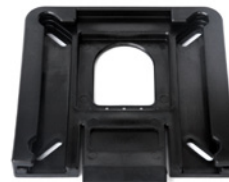

**SWIVEL SEATS**

For maximum fishability, the Swivel Seats enable 360° mobility while providing great comfort for long days on the water. Includes the Quick Release Bracket, Seat Swivel, and all hardware. Note: Item #2210 is required for use in NuCanoe models.

<b>Sand</b>	#3061
<b>Black/Charcoal</b>	#3062
<b>Olive/Camo</b>	#3063

**QUICK RELEASE BRACKET**  
Item # 3066

Enables swivel seats to be removed in seconds without tools. Included with Swivel Seats. Requires 6-5/8" x 6-3/4" Seat Swivel

**STAINLESS STEEL SEAT SWIVEL**  
Item # 3067

For saltwater environments, the stainless steel seat swivel ensures long life with no rusting or corroding. 6-5/8" x 6-3/4".

**7" SEAT PEDESTAL**  
Item # 3068

Maximize your height and vision with a 7" Pedestal. Installs between the swivel bracket and the seat.

## Mount Bases

### BALL MOUNT w/ NC BASE

Use the Ram Ball Mount with maximum versatility in NuCanoe models. The base secures to any of the NuCanoe seat screw locations.

### BALL MOUNT

The RAM Ball Mount provides a full range of motion for rod holders with only one knob. Consists of a 1.5" diameter rubber ball connected to a 2" x 2.5" base.

### SURFACE MOUNT

The RAM Surface Mount features a quick disconnect plunger that locks the Rod Holder in place while allowing it to be removed quickly. The base is 2.125" x 3.875".

### SCREW BALL

Use your favorite RAM ball mount rod holders in the Frontier Freedom Track with the Screwball. Twist it to tighten to the Track, then add on your favorite rod holder. Uses a 1.5" Ball.

## Rod Holders

### SPINNING

Ideal for spinning and bait casting rods. Features a secure clasp that rotates over the rod to keep it in place. Slightly different design for use with the Surface Mount.

### TUBE

Simple, clean, and ready for years of use, the self-draining Rod Tube has a 1.9" diameter and 10" inner depth. Great for rods, fishing nets, light poles, and more.

### FLY

Designed for fly rods with a double locking clasp and open area for the reel. Also works well as a resting cradle for any style rod. Not available for the Surface Mount.

	Spinning	Fly	Tube	Base Only

Screw Ball	#4013	#4023	#4033	#4043

## Hunting

### DUCK BLIND

Complete duck blind cover that fits snugly on the boat. Bow & Stern sections have structural rods. Side panels secure via velcro and can open & close. Installs in 3 minutes.

NuCanoe 10'	#5010
NuCanoe 12'	#5012
Frontier 12'	#5014

### CAMO SEAT Item # 5120

Seat back with cushion to provide back support and extra comfort. Camo pattern matches the duck blind.

## Rowing

### ROWING OUTRIGGERS Item # 6010

Enables the NuCanoe models to be rowed. Can be used solo or tandem. Install and remove in minutes. Includes 1-3/4" oar locks. Made of powder coated 1/8" aluminum. 4 1/2 lbs.

### CATARACT OARS (pair) Item # 6020

High performance 7' Cataract composite one piece oar set. Includes rubber hand grips and oar collars. 6 1/2 lbs per pair. (NuCanoe only)

## Motors

### U-JOINT TILLER EXTENSION Item # 7110

Universal tiller extension handle with U-joint. Enables complete motor control with minimum arm movement. Telescopes from 32-48".

### BATTERY BOX Item # 7130

Group size 24 battery box keeps your battery dry & secure.

### BATTERY BOX STRAP

Polypro webbing strap to secure battery box. Includes required hardware.

NuCanoe	#7140
Frontier	#2420

# Paddles

## ALUMINUM PADDLE Item # 8070

Features a Wave blade that is designed for easy pull through the water with maximum power and an Aluminum shaft. Weight is 39oz.

## FIBERGLASS PADDLE Item # 8175

Wave blade is designed for easy pull through the water with maximum power and a Fiberglass shaft. Weight is 35oz.

## CARBON FIBER PADDLE Item # 8275

Wave blade is designed for easy pull through the water with maximum power and a Carbon Fiber shaft. Weight is 32oz.

# Rigging

## PADDLE HOLDER KIT Item # 7210

Allows paddle to be secured to the outside/top gunwale. Requires 13/64" drill bit and rivet tool for installation. Factory installed on Frontier models.

## STERN ANCHOR HARDWARE Item # 7310

Deck hardware for using a stern anchor or drag chain. Requires 13/64" drill bit and rivet tool for installation. Factory installed on Frontier models.

## ROPE & LINE GUIDE KIT Item # 7311

Rubber plug with bushing fits inside transom hole and prevents anchor rope from rubbing on the boat hull. Includes 35' of 1/4" reflective cord.

## FOLDING ANCHOR Item # 7312

3lb galvanized folding anchor.

## TROLLEY ANCHOR KIT Item # 7320

Deck hardware, trolley rope, and rigging for using a trolley anchor system. Requires 13/64" drill bit and rivet tool for installation.

## STAND UP HANDLE Item # 7410

Stand up and sit down with ease. Adjustable length to fit your seat position perfectly. Clips via carabineer to pre-installed attachment point. (NuCanoe models require Item #7015 Attachment Point)

# Transport

**TRANSPORT CART**  
Item # 2610

Makes moving your boat to or from the water and loading onto a rooftop rack simple & easy for one person. Attaches via the Transom Hole. Frame is powder coated aluminum and wheels are foam-filled.

**TRAILEX TRAILER**  
Item # SUT-200-SNC

Lightweight aluminum trailer makes your boat as easy to maneuver on land as it is on water. Trailer has two loading bars to enable boat to be pulled onto the trailer. A handle near the hitch makes it easy to move by hand.

## BOAT COVER

Form-fitted cover with internal bungee straps to keep your boat protected from the elements in storage or in transport. Made of 600D nylon and has 4 D-rings & cord for securing cover to your boat.
