VERSATILE, STABLE, AND  
CUSTOMIZABLE WATERCRAFT

# Welcome to the FRONTIER

At the boundary between canoes, kayaks, and small boats, lies the Frontier.

In the Frontier, there are no limits. Whether you are bass fishing in a creek, fly fishing in the flats, hunting in a marsh, or paddling in the surf, the Frontier will exceed your expectations.

In the Frontier, you can do things a better way...Your way! Go solo in style or tandem with room to spare. Position seats and accessories anywhere on the Freedom Track. Face the action with 360° Mobility. Paddle with ease or drop on a motor to cruise. And don't just stand, walk with confidence on the 20" wide Cast & Blast Deck.

Ridiculously stable. Fully customizable. Completely comfortable.

Don't compromise. Go to the FRONTIER

## Features of the FRONTIER

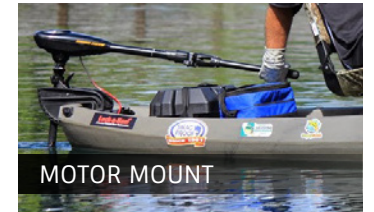

STABILITY

The Frontier's rock solid initial stability and ridiculous secondary stability are legendary. Whatever you do on the water, you'll be confident, comfortable, and safe.

FREEDOM TRACK

The Freedom Track allows you to position seats, rod holders, and accessories where you want, and easily reposition them on the fly. Made of polycarbonate plastic.

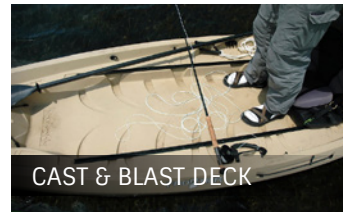

MOTOR MOUNT

The Frontier is ready for your electric or gas motor. Just drop it on the transom and away you go.

CAST & BLAST DECK

The 20" wide Cast & Blast Deck provides a wide foot base for standing with confidence, and gives you ample room for your gear. The open deck leaves no snags for fly lines.

360° MOBILITY

The Max 360 Seats allow you to face the action, wherever it may be. The 12" high seat position provides superior comfort and fishability.

PADDLING PERFORMANCE

Deep hull channels, a stern skeg, and a swede-form shape combine to give the Frontier superior tracking, nimble maneuverability, and efficiency through the water.

# CUSTOMIZING YOUR FRONTIER

In the Frontier, you can do things your way. Start by customizing your boat just as you like. The options are vast and the possibilities are endless. Outfit your Frontier ala carte... or choose one of our Fishing Packages. Let the fun begin!

## Base Models

Your Frontier starts in the base model configuration:

## Seat Bases

Each Frontier is equipped with a RIGID 360 Base for the Max 360 Seat to provide the best seating experience. Converting your Frontier to a tandem craft or using kayak-style seats is as easy as adding another seat base.

### RIGID 360 Base

A lightweight, super-stiff base for Max 360 Seats on the Frontier. Made from fiber-reinforced thermoplastic, the RIGID 360 Base delivers an ideal 12" seat height and allows for storage of rods, paddles, and gear beneath the seat. Compatible with all standard swivel seats. Includes Freedom Track hardware. Weighs only 2.2lbs.

Frontier 10 or 12 - Item #3045

### Multi-Seat Base

The Multi-Seat Base is a jack of all trades! It is a bench seat, a base for kayak-style seats, and a mount for swivel seats. Made from Rotomolded polyethylene. Includes Freedom Track hardware. Weighs 4.5lbs.
